

ES PROMOTIONS RISK ASSESSMENT

Risk Assessment of: **Garden Darts**

 Risk	 Existing Controls	Likelihood 1 - 5	Severity 1 - 5	Risk Score L x S	 Further Action to Take
Over Enthusiastic Participants	If the game is booked without an operator, ES Promotions advises that the client provide their own responsible adult to supervise the game. Children should not be left to use this equipment unsupervised.	2	1	2	Please enforce this rule with your own supervisor if an ES Promotions operator isn't attending the event.
Unruly Behaviour	The operator's decision is final, refusal to abide by the operators guidance will result in play refusal & in extreme circumstances closure of the unit.	1	2	2	Please enforce this rule with your own supervisor if an ES Promotions operator isn't attending the event.
Injury from being hit by darts	Players should only throw the darts at the ringed target areas. They should take it in turns to throw all the darts and not collect their darts until the game is complete. The darts should be set up in a safe area away from other guests.	1	2	2	Please enforce this rule with your own supervisor if an ES Promotions operator isn't attending the event.

L=Likelihood S=Severity L X S = Risk Score with 1 = Lowest Risk and 25 = Highest

Risk and likelihood are worked out using numbers 1-5. These are then multiplied to give the risk score. We recommend that clients undertake their own risk assessment to suit individual needs.

We strive to have no risk score over 10 and anything over 20 would result in ES Promotions not running the kit.
