

## ES PROMOTIONS RISK ASSESSMENT

Risk Assessment of: **Giant Dominoes**

Risk	Existing Controls	Likelihood 1 - 5	Severity 1 – 5	Risk Score L x S	Further Action to Take
Over Enthusiastic Participants	If the game is booked without an operator, ES Promotions advises that the client provide their own responsible adult to supervise the game. Children should not be left to use this equipment unsupervised.	2	1	2	With prior notice of large numbers attending the event additional trained operators can be supplied at an extra fee.
Unruly Behaviour	The operator’s decision is final, refusal to abide by the operators guidance will result in ride refusal& in extreme circumstances closure of the unit.	1	2	2	Please enforce this rule with your own supervisor if an ES Promotions operator isn’t attending the event.
Slipping/ falling on mats	If a mat is used for a game and gets wet, it must be wiped dry immediately before play resumes.	2	1	2	Please enforce this rule with your own supervisor if an ES Promotions operator isn’t attending the event.
Injury from toppling dominoes	Players are should lay the dominoes flat on the ground and not to stack them or allow children to build with them.	1	1	1	Please enforce this rule with your own supervisor if an ES Promotions operator isn’t attending the event.

L=Likelihood S=Severity L X S = Risk Score with 1 = Lowest Risk and 25 = Highest

Risk and likelihood are worked out using numbers 1-5. These are then multiplied to give the risk score. We recommend that clients undertake their own risk assessment to suit individual needs.

We strive to have no risk score over 10 and anything over 20 would result in ES Promotions not running the kit.
