

ES PROMOTIONS RISK ASSESSMENT

Risk Assessment of: **Giant Draughts**

Risk	Existing Controls	Likelihood 1 - 5	Severity 1 – 5	Risk Score L x S	Further Action to Take
Over Enthusiastic Participants	If the game is booked without an operator, ES Promotions advises that the client provide their own responsible adult to supervise the game. Children should not be left to use this equipment unsupervised.	2	1	2	With prior notice of large numbers attending the event additional trained operators can be supplied at an extra fee.
Unruly Behaviour	The operator’s decision is final, refusal to abide by the operators guidance will result in ride refusal& in extreme circumstances closure of the unit.	1	2	2	Please enforce this rule with your own supervisor if an ES Promotions operator isn’t attending the event.
Falling over pieces	The draught pieces won should be placed by the side of the board, in a neat manner.	2	1	2	Operators if booked or supervisors should place the pieces in a neat line or back on the board at the end of the game.
Injury through tripping over edges of board	Play is limited to 2 people at one time. Ideally the game should be played on a flat surface. The game should be set up away from large numbers of guests.	2	1	2	Place mats / boards in a safe visible area.

L=Likelihood S=Severity L X S = Risk Score with 1 = Lowest Risk and 25 = Highest

Risk and likelihood are worked out using numbers 1-5. These are then multiplied to give the risk score. We recommend that clients undertake their own risk assessment to suit individual needs.

We strive to have no risk score over 10 and anything over 20 would result in ES Promotions not running the kit.
