

ES PROMOTIONS RISK ASSESSMENT

Risk Assessment of: **Giant Jenga**

 Risk	 Existing Controls	Likelihood 1 - 5	Severity 1 – 5	Risk Score L x S	 Further Action to Take
Over Enthusiastic Participants	Responsible person supervising at all times. If booked without an ES Promotions operator, please nominate your own responsible adult to oversee the game.	2	1	2	With prior notice of large numbers attending the event additional trained operators can be supplied at an extra fee.
Unruly Behaviour	The operator’s decision is final, refusal to abide by the operators guidance will result in ride refusal& in extreme circumstances closure of the unit.	1	2	2	If booked without an operator, please ensure your nominated supervisor adheres to controls on this assessment.
Injury from falling over removed pieces	Players should stack removed pieces in a neat pile. After a game has been completed the tower should be rebuilt.	1	1	1	Spare pieces should periodically be stacked neatly.
Injury from falling blocks	All users should stand back quickly after each turn. Spectators should stand a safe distance away from game and small children should not be allowed to use the game unsupervised.	2	1	2	Children smaller than the built Jenga tower, should not be allowed to play the actual game..

L=Likelihood S=Severity L X S = Risk Score with 1 = Lowest Risk and 25 = Highest

Risk and likelihood are worked out using numbers 1-5. These are then multiplied to give the risk score. We recommend that clients undertake their own risk assessment to suit individual needs.

We strive to have no risk score over 10 and anything over 20 would result in ES Promotions not running the kit.
