

## ES PROMOTIONS RISK ASSESSMENT

Risk Assessment of: **Giant Ludo**

Risk	Existing Controls	Likelihood 1 - 5	Severity 1 – 5	Risk Score L x S	Further Action to Take
Over Enthusiastic Participants	If the game is booked without an operator, ES Promotions advises that the client provide their own responsible adult to supervise the game. Children should not be left to use this equipment unsupervised.	2	1	2	With prior notice of large numbers attending the event additional trained operators can be supplied at an extra fee.
Unruly Behaviour	The operator’s decision is final, refusal to abide by the operators guidance will result in ride refusal& in extreme circumstances closure of the unit.	1	2	2	Players with the listed conditions who still wish to play <u>do so at their own risk</u> . However the operator has the right to refuse service to anyone they deem as a safety threat.
Slipping/ falling on mats	Play must not take place after rain or if mats are wet.	2	1	2	Please enforce this rule with your own supervisor if an ES Promotions operator isn’t attending the event.
Injury from dice being thrown at other players or spectators	Dice is lightweight and is extremely unlikely to cause any sort of injury. We also advise for the dice to be thrown onto the mat, and away from other players.	1	1	1	None
Tripping over the edge of the mat	Ideally this game should be played on a flat surface, if possible the corners of the mat should be pinned down to avoid trip hazards.	1	1	1	None

L=Likelihood S=Severity L X S = Risk Score with 1 = Lowest Risk and 25 = Highest

Risk and likelihood are worked out using numbers 1-5. These are then multiplied to give the risk score. We recommend that clients undertake their own risk assessment to suit individual needs.

We strive to have no risk score over 10 and anything over 20 would result in ES Promotions not running the kit.
