

## ES PROMOTIONS RISK ASSESSMENT

Risk Assessment of: **Giant On Target**

Risk	Existing Controls	Liklihood 1 - 5	Severity 1 – 5	Risk Score L x S	Further Action to Take
Over Enthusiastic Participants	Responsible person supervising at all times	2	1	2	Please nominate a responsible adult to supervise the game if booked without an ES Promotions operator.
Unruly Behaviour for example using the sticks to harm others/	The operator’s decision is final, refusal to abide by the operators guidance will result in ride refusal& in extreme circumstances closure of the unit.	1	2	2	Please enforce this rule with your own supervisor if an ES Promotions operator isn’t attending the event.
Falling over mats	The mat must be set up on a flat level area away from spectators, if possible the mat should be pinned down.	2	1	2	Please enforce this rule with your own supervisor if an ES Promotions operator isn’t attending the event.
Slipping on mats	If mats get wet we recommend play should be suspended.	2	1	2	Please enforce this rule with your own supervisor if an ES Promotions operator isn’t attending the event.
Injury from thrown Frisbees	Players should only throw the frisbees at the ringed target areas. They should take it in turns to throw all the frisbees and not collect theirs until the game is complete. The mat should be set up in a safe area away from other guests.	2	2	4	In strong winds please do not throw Frisbees as they may get blown further and cause injury to other guests. <b>It may be beneficial to separate the area then with bunting and stakes.</b>

L=Likelihood S=Severity L X S = Risk Score with 1 = Lowest Risk and 25 = Highest

Risk and likelihood are worked out using numbers 1-5. These are then multiplied to give the risk score. We recommend that clients undertake their own risk assessment to suit individual needs.

We strive to have no risk score over 10 and anything over 20 would result in ES Promotions not running the kit.
