

## ES PROMOTIONS RISK ASSESSMENT

Risk Assessment of: **Giant Quoits**

Risk	Existing Controls	Likelihood 1 - 5	Severity 1 – 5	Risk Score L x S	Further Action to Take
Over Enthusiastic Participants	If the game is booked without an operator, ES Promotions advises that the client provide their own responsible adult to supervise. Children should not be left to use this equipment unsupervised.	2	1	2	With prior notice of large numbers attending the event additional trained operators can be supplied at an extra fee.
Unruly Behaviour	The operator’s decision is final, refusal to abide by the operators guidance will result in play refusal & in extreme circumstances closure of the unit.	1	2	2	Please enforce this rule with your own supervisor if an ES operator is not attending.
Injury from thrown rope loops	Players told to throw within a safe area whilst spectators and other guests are asked not to stand too close to the game.	2	1	2	Please enforce this rule with your own supervisor if an ES operator is not attending.
Injury from tripping over the base unit	A clear gaming area must be set out, after play hoops should be left on target area.	1	2	2	Please enforce this rule with your own supervisor if an ES operator is not attending.
Injury by being hit by stray quoits	Players should only throw the quoits at the ringed target areas. They should take it in turns to throw all the quoits and not collect theirs until the game is complete. The game should be set up in a safe area away from other guests.	2	2	4	In strong winds please do not throw quoits as they may get blown further and cause injury to other guests. <b>It may be beneficial to separate the area then with bunting and stakes.</b>

L=Likelihood S=Severity L X S = Risk Score with 1 = Lowest Risk and 25 = Highest

Risk and likelihood are worked out using numbers 1-5. These are then multiplied to give the risk score. We recommend that clients undertake their own risk assessment to suit individual needs.

We strive to have no risk score over 10 and anything over 20 would result in ES Promotions not running the kit.
